After casting "Oliver!" in the late spring, we were suddenly faced with a major crisis. The failure of the school budget meant there would be no school-sponsored summer program and, therefore, we could not continue our affiliation with the Adult Education Department for this year. The School Administration was required by State Law to charge our program rent, most of which had to be paid prior to our first rehearsal. Although we have refused large donations and never sought advance contributions in the past, we were forced to seek them for this summer's program. We were able to continue production here in the High School through the generosity of the following

This year marks the graduation of Kathe O'Connor, a very special participant. Four years ago, Kathe persuaded us to fulfill a dream of hers and create a summer musical theater program especially for teenagers. Since then, hundreds of teens have been drawn to the program and many more will benefit from her initiative in the years to come. Thank you, Kathe.

We wish to acknowledge the consideration given to us in this summer of austerity by the School Board and Administration and, particularly, to express our appreciation to the High School Custodial Staff.
